**JOB DESCRIPTION – RECOVERY NAVIGATOR**  
**Northfield, Birmingham Mental Health Service**

**Hours:** 37.5 hours per week full time, part time hours to be agreed

**Responsible to:** Service Manager

**The Role:**

The Mental Health Recovery Service is delivered from our vibrant and engaging Recovery Hubs, in Northfield and Yardley. The service provides support for individuals with severe and enduring mental health problems. The Recovery Hubs offer a combination of one-to-one goal planning, personalised interventions, structured sessions, therapeutic activities, peer support and community social groups. This support is delivered both online and face-to-face.

To support and actively progress individual mental health recovery through one to one face to face and on-line support planning, proactive key-working, the delivery of structured courses and therapeutic activities and signposting to appropriate services.

To provide; person-centred, recovery focused support to people with mental health needs, adopting a proactive, flexible and anti-discriminatory approach where the rights and entitlements of service users are respected at all times.

To work with service users to co-produce develop individual recovery plans and coordinate a package of support which will enhance their quality of life and provide opportunities for personal development, access to universal services and greater social inclusion within the wider community. To engage with service users to build trusting, therapeutic relationships and use a psychologically minded approach whilst maintaining professional boundaries and working within Creative Support's Recovery Model to encourage positive mental health and coping skills.

To research, develop and deliver a range of structured courses and therapeutic activities for groups of service users which enhance and support recovery through the meeting of individual goals and objectives identified in support plans.

To work in partnership with colleagues at Birmingham Mind and with local IPS/Employment Specialists. To build and maintain a good knowledge of community partnerships and opportunities for signposting service users to additional support in both mental health specific and mainstream services, with the goal of maximising community participation and engagement for all service users.

**Key Working:**

1. To key work a caseload of service users, develop and review recovery focused support plans in partnership with service users. To conduct thorough assessments of support need and risk. To ensure any identified risks are explored, documented and managed appropriately within the remit of the service.
2. To support service users holistically, identifying and signposting any additional support which may enhance and promote individual recovery, making referrals as appropriate.

3. To work closely with the Recovery Coordinator to continually review recovery progress, contributing to and adopting best practice to ensure service users maximise their recovery potential and achieve their goals.
4. To contribute to regular and timely service user reviews, caseload conferences and best practice groups to ensure that all service users receive the highest standard of support.
5. To collect and record accurate statistics relating to progress and the achievement of outcomes for each service user on your caseload, providing timely data for review or management report on request.
6. To develop in partnership with each service user a WRAP plan, ensuring that robust and timely procedures are in place for service users to self-identify and manage mental health crises.

**Therapeutic Activities:**

7. To research, develop and deliver a range of therapeutic activities which meet the identified needs of service users. To develop interventions and therapeutic sessions that are relevant, interesting, accessible and appropriate to the cultural and demographic requirements of all service users.
8. To work collaboratively with service users and their representatives to co-produce therapeutic activities, both in their planning and delivery.
9. To collect and collate feedback relating to therapeutic activities from service users and other professionals to ensure that activities continue to meet the need of service users and to inform future activity plans.
10. To monitor and report attendance and engagement of individual service users in therapeutic activities to ensure progress is made towards recovery goals.

**General Responsibilities:**

11. To research and maintain a good knowledge of the support available across the city from partner agencies, understanding how these may enhance individual wellbeing and recovery; making referrals as appropriate.
