**JOB DESCRIPTION – RECOVERY TEAM MANAGER**  
**MENTAL HEALTH RECOVERY SERVICE – REDDITCH, WORCESTERSHIRE**

**Hours:** 37.5 hours per week, to be worked flexibly, over a 7 day rota, according to the needs of the service and service users.

**Responsible to:** Regional Operations Manager , Service Director and other senior colleagues.

**Based at:** Supported Living Service, Redditch, Worcestershire

**Introduction to the Role**

The Team Manager will develop and manage a new-build mental health supported living service for 14 people with mental health needs commissioned by Worcestershire County Council, working in partnership with Bromford Housing Association, referrers, Care Managers and other agencies.

You will work with service users, their families, Bromford Housing and other agencies to assess needs and to plan a successful transition into the service, creating the foundations for greater independence and personal fulfilment. You will ensure that individuals are enabled to make progress in their personal recovery journey and to attain goals relating to their mental health & wellbeing, independence, maintenance of their tenancy, quality of life and community connections. This will be achieved through co-producing outcome-based support plans which build on strengths and assets and promote meaningful occupation, resilience and capacity for self-management.

You will promote a welcoming and inclusive atmosphere and ensure that staff are skilled in promoting recovery and positive engagement, with relationships based on respect and unconditional positive regard. You will ensure that there is a strong commitment to equality and diversity. You will be committed to community asset-based approaches and be able to collaborate creatively with community partners as our delivery model is characterised by the use of volunteers and peer supporters as well as paid staff and by close partnership working with statutory mental health services and voluntary agencies.

You will ensure that our services are delivered effectively in accordance with assessed needs, contract requirements, service specification quality standards, and desired outcomes.

Your varied and rewarding role will include responsibility for:

- Leadership and operational management of the service
- Promoting the service to referrers and potential service users
- Deployment of staff according to assessed needs
- Management and co-ordination of all aspects of service delivery
- Liaison and joint working with the landlord
- Assessment, support planning and positive risk management
- Mentoring, supervising and supporting staff
- Organising person-centred reviews
- Enabling pathways to independence and move on as appropriate
- Building positive partnerships

## 1. Purpose of the Job

To develop and coordinate a high quality supported accommodation service in Redditch for 14 tenants with mental health and other needs. To supervise and manage a team of staff, providing recovery focused support to enable individuals with mental health needs to live as independently as possible in the community, improve wellbeing and achieve positive outcomes. The Recovery Team Manager will be responsible for ensuring effective multi-agency working and for the delivery of a personalised support service to all individuals. The post-holder will also ensure that the service meets the desired outcomes of the service specification and the service contract.

## 2 Provision of Care and Support

- 2.1 To develop and deliver a high quality supported living service which meets the assessed needs and desired outcomes of service users, building on their strengths and assets. To work closely with the partner housing provider to deliver safe, high quality supported accommodation which meets housing and support needs in an effective and joined up manner.
- 2.2 To communicate and reinforce the person-centred philosophy and recovery model of the service. To promote hope, resilience and openness to change. To ensure that staff understand, and are committed to the values and expected outcomes of the recovery service and the contract specification.
- 2.3 To ensure that staff and volunteers develop and sustain warm, trusting and respectful relationships with service users, offering unconditional positive regard and respecting their rights to privacy, confidentiality and self-determination. To promote the self-esteem, happiness, and welfare of the people we support at all times and to promote a strong 'duty of care' to vulnerable service users.
- 2.4 To provide a reliable and responsive 'core support' service, 7 days a week and to deliver planned individual care and support according to assessed needs and agreed individual care packages.
- 2.5 To ensure that service users people receive a skilled, responsive and effective service which enables them to achieve their desired recovery and personal development outcomes. To deliver support in ways which build confidence, resilience and self-esteem and maximise independence.
- 2.6 To maximise referrals and service utilisation and to work with the housing provider to ensure that the service enjoys a positive profile and reputation. To promote the service effectively to external referrers and agencies and to ensure that all referrals and enquiries are followed up efficiently in a helpful and professional manner.
- 2.7 To ensure that staff are very welcoming and provide excellent customer care. To arrange visits for referrers and prospective tenants to the service and ensure that literature describing the service and the referral process is widely circulated and kept

up to date. To provide promotional materials in a range of accessible formats as required.

- 2.8 To undertake comprehensive referral assessments for people referred to the service, to make recommendations to the Assessment Panel and to contribute to allocation decisions.
- 2.9 To ensure that all prospective tenants and their families understand the offer and expectations of supported living, are aware of their obligation to pay rent and any care charges and are fully aware of the rights and responsibilities of being a tenant.
- 2.10 To develop personalised Transition Plans and work with the Housing Provider, referrer, the service user, their family, existing placements and other agencies to enable people to move successfully into the service.
- 2.11 To support people with all the practical aspects of moving into the service and setting up home including acquiring furniture, claiming benefits, arranging utility connections, making arrangements to pay their rent, bills and any care charges.
- 2.12 To ensure that an outcome-focused and person centred recovery Support Plan is devised and co-produced in response to the identified needs, preferences and aspirations of individuals, building on their strengths, assets and community connections. To agree a personalised programme of support, interventions, and activities to meet these needs. To fully involve the service user and members of their support network in developing and co-producing their plan and agreeing short and long term SMART goals.
- 2.13 To ensure that individual plans are consistent with statutory assessments and care plans and to work with external professionals and agencies within the framework of the CPA and other relevant processes such as MAPPA and complex case panels. To ensure that additional needs relating to physical health, physical disabilities, learning disabilities, sensory and communication needs are identified, assessed and responded to as appropriate.
- 2.14 To ensure that an up-to-date risk assessment and positive risk management plan is in place for each service user and to ensure that staff are aware of and follow any risk management guidelines. To assertively involve relevant professionals and agencies in developing robust risk management plans.
- 2.15 To promote a philosophy of responsible but positive risk management which enables service users to enjoy opportunities for personal development and to manage their own safety as far as possible. To support service users to become aware of the impact and consequences of risk behaviours and anti-social behaviour for themselves and others.
- 2.16 To ensure that each tenant is allocated a Key Worker to co-ordinate the implementation of their Support Plan, taking account of gender preferences and other requirements.

- 2.17 To ensure that one-to-one goal planning and personalised recovery support is planned and delivered at regular intervals according to service user needs and preferences and to maximise positive engagement with the service and the achievement of desired outcomes.
- 2.18 To ensure that service users receive a responsive and effective service which enables them to achieve their desired recovery and personal development outcomes. To deliver support in ways which build confidence, resilience and self-esteem and maximise independence. To provide 'just enough' support to promote skills development so as to avoid dependency on paid staff.
- 2.19 To empower and support people to express their views and concerns and to participate as fully as possible in planning and review processes. To develop communication and consultation methods tailored to individual needs and to ensure that service users have a voice in service development and delivery.
- 2.20 To work with service users to co-produce Wellness Recovery Action Plans (WRAPs) which promote the use of personalised coping strategies and wellness tools to self-manage their mental health and prevent the use of in-patient and crisis services. To develop Relapse Management and Crisis Plans as required, involving other professionals and agencies.
- 2.21 To support service users to maintain their home in a clean, safe and comfortable manner, to report repairs to their landlord and to personalise their apartments in accordance with their preferences. To encourage service users to be "good neighbours" to other tenants and abide by the scheme rota.
- 2.22 To work with services to develop daily living skills and to become as independent as possible in all activities of daily living, including cleaning, laundry, shopping, cooking, and household management.
- 2.23 To enable people to express their sense of self and personal identity, to develop friendships and build their social and informal support networks. To promote a warm and positive approach to the friends and families of service users. To involve families and significant others in the lives of service users and in planning and reviewing individual support, where this is in accordance with service user preferences.
- 2.24 To support service users to develop fulfilling lifestyles and to engage in a varied range of culturally and age appropriate experiences, building on their strengths, interests and aspirations. To promote access to education, vocational training, skill building and volunteering and to develop the confidence to pursue paid employment.
- 2.25 To ensure that service users are enabled to manage their personal finances as independently as possible, whilst being protected from abuse. To ensure that tenants obtain their full benefit entitlement and are given advice and assistance in connection with budgeting, payment of bills and avoidance of debt.
- 2.26 To work within the framework of the MCA and DoLs/Liberty Protection Safeguards and to ensure that care and support is provided in the most empowering and least restrictive manner. To assist service users to make informed and responsible decisions

regarding their own lives, whilst acknowledging that that individuals with capacity have the right to make unwise decisions. Where a service user may lack capacity in some area of decision making to undertake or refer for a capacity assessment and to follow best interest processes.

- 2.27 To ensure that person-centred recovery and tenancy reviews are carried out 6 weeks after moving into the service, after a further 3 months and then every 6 months or whenever needed. To use the review process to evaluate progress, agree new goals and to adjust planned support as people become more independent and have built up informal support networks and community links. To seek re-assessments of care needs and reductions in care packages where appropriate.
- 2.28 To ensure that service users receive advice and support to improve their physical health and wellbeing. To promote the self-management of long-term conditions (such as epilepsy, diabetes and other conditions). To promote good nutrition, relaxation, exercise, smoking cessation and an active, healthy lifestyle.
- 2.29 To ensure all tenants are registered with a GP and to promote attendance at health appointments including regular optical, dental and other health checks appropriate to age, gender and individual needs. To promote the right to access high quality primary and specialist health care services.
- 2.30 To ensure that staff observe service users' mental health and physical well-being and inform other agencies/professionals of any concerns or significant changes in needs, risks, welfare and circumstances.
- 2.31 To provide service users with assistance and support to take prescribed medication, through prompting and encouragement and to enable progress to self-management of medication. To ensure that the storage, administration and recording of medication is undertaken in accordance with agency policies.
- 2.32 To ensure that vulnerable adults and children are safeguarded from harm. To ensure that all staff, volunteers, and students on placement comply with Creative Support and Worcestershire County Council's Safeguarding Policy and Procedures. To report immediately any concerns regarding vulnerable adults or children to the Line Manager, Duty/On Call Manager, the local authority and CQC (if the service user receives regulated care).
- 2.33 To ensure that person-centred recovery and tenancy reviews are carried out 6 weeks after moving into the service, after a further 3 months and then every 6 months or whenever needed. To use the review process to evaluate progress, agree new goals and to adjust planned support as people become more independent and have built up informal support networks and community links. To seek re-assessments of care needs and reductions in care packages where appropriate.
- 2.34 To support service users to move on from the service as they grow in independence and can sustain a tenancy without support or with community support. To provide short term support and follow up on moving on from the service to ensure that recovery and independence is sustained. To signpost to other agencies as required.

### **3. Management of Staff**

- 3.1 To ensure that there are sufficient skilled permanent and relief staff to deliver the service in accordance with the specification for the core service and to deliver individual care packages. To recruit new staff as vacancies/needs arise with the involvement of service users. To maintain a diverse staff team which can meet gender preferences and provide culturally sensitive services.
- 3.2 To ensure that staff resources are deployed efficiently, effectively and safely across a 24 hour/7 day rota and that there are no 'gaps' in provision. To plan rotas in advance and to allocate staff working time and shifts fairly.
- 3.4 To ensure that staff record their working time accurately, complete and submit timesheets and carry out any financial transactions within agency guidelines.
- 3.5 To ensure that staff training needs are identified and met, and that all training undertaken is recorded within supervision files and the training matrix. To induct new staff and agency staff thoroughly, ensuring that they are aware of service user preferences, needs and risks and are familiar with all essential operational policies, reporting and safety requirements.
- 3.6 To manage the performance of staff by providing supervision, coaching, direct observations of practice and periodic appraisals. To ensure that staff maintain consistent therapeutic optimism and aspiration for the people they support. To encourage solution-focussed, reflective and accountable practice.
- 3.7 To ensure that all staff practice in an effective, competent and person-centred, recovery focussed manner, and follow all guidelines for the provision of support and the running of service including health & safety, management of finances, medication, professional boundaries, duty of care and safeguarding.
- 3.8 To ensure that staff maintain up-to-date electronic and paper client records and individual case files in the prescribed format and that all reviews and meetings are minuted and recorded. To ensure that records are completed to a high standard and that confidentiality and data protection is observed at all times. To ensure that progress is captured and celebrated.
- 3.9 To organise monthly or more frequent team meetings and to ensure that staff are well-briefed in all matters relating to policy, good practice, contract delivery and agency requirements. To promote the full attendance and active participation of all staff (including part-time, relief staff and volunteers in these meetings).
