Closing date: 13 March 2025

We are looking for creative Volunteers to set up and run activity groups across our four extra care services in line with Service User interests.

As part of your role you will ensure that service users are included in deciding the types of crafts and activities they would like to explore, and will plan and prepare for the sessions in advance to make sure that the materials and equipment are ready for each session. The sessions could be board games, arts and crafts, bingo, etc. You will reach out to service users to promote the activities including times and dates, and encourage people to attend. You will also ensure that the materials are tidied away and the space is left clean and tidy at the end of each session. This role is a great way to gain experience of a group facilitation role.

As a volunteer with Creative Support we offer training for your role, access to a volunteer supervisor, an induction, a monthly Volunteer newsletter, and an online volunteer's peer support group.
