## **JOB DESCRIPTION – REGISTERED SERVICE MANAGER**

### **Braintree, Essex Service**

**Hours:** 37.5 hours per week, to be worked flexibly to include some evenings and weekends, according to the needs of the service.

**Responsible to:** Service Director

#### **Summary of the Role and Our Expectations:**

The Registered Service Manager will lead the operational management of a specialist supported living service located in Braintree. The service has been developed to meet the needs of people who have a learning disability and/or autism and complex needs, including mental health needs and behaviours which challenge. As a number of service users have forensic histories, there will be a requirement for positive and robust risk management.

The service supports 10 people in an attractive new-build supported housing scheme, commissioned as part of the Transforming Care Programme in Essex. The accommodation has been carefully designed to meet the needs of individuals with a range of needs and special requirements. Tenants have moved from hospital and residential settings and need well planned, personalised support to allow them to make a successful transition to supported living and to become more confident and independent.

The Registered Service Manager will ensure that the service is of the highest quality, meeting all CQC standards and contract requirements and that this can be demonstrated through comprehensive quality and contract monitoring processes. You will ensure that the service works in a cohesive and coordinated manner and that service users experience fully integrated care, support and housing. You will ensure that the care and support delivered is truly personalised and provided in accordance with agreed care plans, enabling service users to enjoy wellbeing, quality of life and community connections.

You will promote and re-inforce a culture of responsive, person-centred practice and active support across the service, with relationships based on respect and unconditional positive regard. Your rewarding role will include responsibility for:

- Recruitment and selection of staff matched to needs of service users
- Management and deployment of staff to meet the needs of service users
- Team building and maintaining a highly motivated workforce
- Ensuring continuous, reliable and consistent service delivery at all times
- Meeting assessed needs and maximising positive outcomes
- Performance management
- Compliance with CQC & commissioner expectations and standards
- Effective contract management
- Effective prevention and management of incidents
- Positive risk management
- Staff support, supervision, coaching and training
- Excellent customer care for all stakeholders

#### **Staff Management:**

1.1 To ensure that staff resources are deployed efficiently, safely and effectively in accordance with identified needs, risks and individual support plans.

- 1.2 To lead and manage staff so as to ensure that the highest levels of performance and standards of work are achieved. To ensure that staff understand and are committed to Creative Support’s person-centred values and objectives. To support staff to maintain appropriate professional boundaries.
- 1.3 To ensure that staff develop and sustain warm and trusting relationships with service users promote their self-esteem, happiness and emotional health. To promote a high level of commitment and duty of care to service users along with unconditional positive regard for each person supported.
- 1.4 To ensure that all staff receive support, reflective supervision and appraisal. To take appropriate support and corrective action to ensure that performance concerns are addressed proactively. To identify, reinforce and positively acknowledge good practice.
- 1.5 To ensure staff are debriefed and supported following an incident, and that any learning or changes to practice are identified and implemented with support from the senior team. To promote the emotional safety, wellbeing and resilience of staff.
- 1.6 To act as a role model providing skilled direct care and support to service users. To guide and coach individual staff members and teams to follow support plans, agreed approaches and personalised coping strategies. To carry out and record direct observations of practice to ensure that staff are caring, respectful, empowering and competent in their practice.
- 1.7 To ensure that staff training and development needs are identified and met and that services maintain up to date staff training matrix at all times. To participate in the planning and delivery of staff training.
- 1.8 To organise senior staff meetings and ensure that these are used effectively to develop and improve the service and to foster cohesive team working. To communicate agency policies and initiatives to staff and to brief staff regarding wider policy and practice issues.
- 1.9 To organise and manage the personalised recruitment and selection of staff, matched to the needs of service users, ensuring a high level of service user and family participation in the selection process.
- 1.10 To ensure that all new staff and any temporary/agency staff or students are fully inducted into the services; such induction to include: core values (eg dignity, respect) service user needs/risks, support and activity plans, PBS plans and guidelines, medication & health needs and any associated protocols, Health & Safety, fire prevention and safety, care of the physical environment, emergency procedures, duty of care in respect of health and wellbeing, operational policies, safeguarding and incident reporting procedures, whistleblowing and communicating concerns, internal/external customer care expectations, roles of other agencies, shift and rota requirements, shift leader role, timely submission of valid timesheets/expense claims, timekeeping and attendance expectations, absence reporting, positive team working and general standards of behaviour, conduct and professionalism.
