JOB DESCRIPTION – SENIOR QUALITY PRACTITIONER – HEALTH AND WELLBEING LEAD
Quality Department, Head Office, Stockport Town Centre

Hours: Full time hours: 37.5 per week, Monday to Friday 9am till 5pm.

Responsible to: Head of Quality and Service Director with lead on Quality

The Role:

You will be part of an established Quality team and will contribute to our audit and social care governance processes.

The role will lead on quality improvement assignments and development of processes across our organisation, particularly those services who are registered with CQC and provide support to service users who have complex health needs. Creative Support currently has over 700 services, including Learning Disability, Mental Health, Care Homes, etc. The role will be well supported within the highly experienced and established quality team who have been together in its current work for over 10 years.

The role includes carrying out quality audits and inspections and contributing to quality improvement and turnaround programmes. The post holder will also be part of a team which responds to specific work requests which may include assisting services with quality improvement work.

You will lead in quality improvement and your practitioner and health background will be a highly valuable asset.

Role Duties:

Senior Quality Practitioner Requirements:

1. Proven experience in leading quality assurance initiatives within social care environments.
2. A good understanding of CQC quality standards and local authority commissioned contracts.
3. Extensive knowledge and experience of supporting people who have specialist health conditions. Preferably relevant training in this area.
4. Strong analytical and problem solving skills
5. Excellent communication and interpersonal skills.
6. Strong presentation delivery skills.
7. Ability to travel frequently and occasionally stay overnight.
8. Specialist knowledge and experience in overseeing regulatory compliance of specialist health conditions.
9. To be thorough and analytical when examining any incidents involving health related support or care delivery and offer practical quality improvement support when required to ensure compliance and safety at all times.

- 10. To work in conjunction with the Executive Team and Registered Managers to ensure strong leadership for health compliance across our diverse range of services. To escalate issues when appropriate and ensure governance of issues under your role.
- 11. To work in close partnership with the health and safety department and HR department to ensure staff are practicing safety and that any issues are followed up appropriately and addressed in a timely way.
- 12. To lead on Health Promotion initiatives and carry out thematic health promotion campaigns and initiatives which both inform and promote best practice around key health needs. To engage Creative Support in relevant national health related campaigns (ie:- stroke awareness etc..). To promote and circulate information and good practice standards and devise bespoke campaigns to raise awareness and improve staff practice.
- 13. To ensure that health-related documentation is person-centred and high quality, which evidences personalisation to the service users, ensuring person-centred approach is used.
- 14. Understanding that promotion and awareness of good health and quality of life is important in supporting staff and service users throughout Creative Support. In creating health promotion opportunities and highlighting awareness of good practice when delivering support of specialist conditions and all health and wellbeing areas.

Performance Reporting and Compliance Monitoring:

- 1. Delivery of workshops and presentations in areas of quality and compliance.
- 2. Build strong, effective and positive partnerships with internal and external stakeholders, colleagues and managers.
- 3. Active engagement in meetings relating to quality and compliance e.g improvement plan reviews, commissioner meetings, etc.
- 4. Assist on the development, delivery and reporting on performance and risk.
- 5. Take appropriate action to ensure compliance with quality standards, contractual obligations and regulatory frameworks e.g CQC Single Assessment Framework.
- 6. Identify trends and improvement areas across contracts and service types.

Service User Engagement and Co-Production:

- 1. To contribute to and ensure good engagement with service user and other stakeholder to enable consultation and involvement initiatives as part of an audit. To take a lead on within the team on an identified service user and carer group.
- 2. To motivate teams and individuals to achieve the best possible outcomes for service users. To identify good person centred practice and ensure this is developed and promoted.
- 3. To contribute to Employee Recognition initiatives by recognising and acknowledging good practice.

4. To set and work to excellent standards within all safeguarding matters. To work in a timely and responsible way to ensure the safety of service users and staff.
5. To involve service users in their own care and ensure our care delivery meet expectations and best practice standards. To consult with service users when seeking to make quality improvement and ensuring

Engagement and Partnership Working:

1. To engage support staff in taking a proactive and solution focused approach to support and care delivery. To educate and motivate staff to meet the health and care needs of the people they support.
2. To engage the Executive team and Board of trustees periodically throughout the year when and required with the challenges and positive outcomes of the health and care support provided within Creative Support.
3. To ensure learning and development of our staff corporately in health related support and clinical issues. To offer onsite training and support to teams about key health related issues such as service who use PEG, Dysphagia or have more complex health support needs. To do this in partnership with trained health professionals when required.
4. To work proactively with external health professionals, SALT teams, District Nurses and all health professionals to ensure safe and connected services are provided.
5. To liaise with hospitals, pharmacists, GPs and health providers when required and take a supportive role in working through any multidisciplinary cases to achieve the best outcomes.

Other Responsibilities:

1. To develop staff training and supervision material that support the development of skills and knowledge around health-related good practice
2. To review Social care governance information and follow up on health related incidents where relevant. To work in conjunction with the Head of Quality and Service Director in providing follow-up action.
3. To report on compliance at the monthly national SCG (Social care governance meetings)
4. To ensure Creative Support complies with all current legislation, other relevant regulations and that best practice is maintained.
5. To work alongside staff and departmental leads to ensure understanding of the significance of quality assurance relating to compliance of supporting service users with specialist health conditions.
6. To assist/take responsibility for some key areas of Quality compliance e.g., maintaining registers on aspects of compliance (PEG, Dysphagia etc.).
7. An aspect of the role will require excellent research skills to promote compliance with any changes to legislation or regulatory change.
8. Excellent communication and report-writing skills.

All employees are subject to enhanced DBS checks					

Quality General Responsibilities:

1. To work as a member of the Quality team ensuring a high standard of social care provision across the services either through proactive quality audits or supporting to services ensuring that all the necessary quality systems and processes are in place and being used effectively to meet quality standards.
2. To assist (co-audit) with quality audits of services and benchmarking services against national standards (i.e. CQC) and Creative Support’s standards. To identify good practice and areas for improvement.
3. To work collaboratively with services where improvement is required to support the completion of assessments, support plans and other client related paperwork to a high standard.
4. To work collaboratively with the Quality team in ensuring that all necessary systems and processes are in place to meet quality standards
5. To assist members of the team with researching and updating relevant key corporate policies and master documents, liaising with relevant key managers.
6. To assist senior colleagues in developing Quality Improvement Plans for services when required, in close collaboration with the directors and managers of services. To work with managers and staff teams to ensure the effective implementation of quality improvement plans and to demonstrate improvements within agreed timescales.
7. To support managers and staffing teams to deal with difficult and challenging practice issues and professional dilemmas. To do this in conjunction with senior quality practitioners.
8. To attend relevant forums, including family and service user staff meetings and stakeholder events. To elicit feedback regarding Creative Support’s services. To ensure that this feedback is acknowledged and acted upon.
9. To maintain accurate log of outcomes from internal quality inspections including action plans and liaising with managers of services in relation to completion of action plans.
10. To collect and collate relevant data and statistics and to produce statistical reports as required in order to contribute as required to Social Care Governance Meetings and Quality Sub-group meetings.
11. To provide professional advice, support and feedback to managers and services.
